Re: Docket No. V-W-84-A0-87
City of Indianapolis
Indianapolis, Indiana

Dear Mayor Hudnut:

We have received your letter of April 4, 1984, signed by Barbara S. Gole, Director, Department of Public Works, certifying your intent to comply with the above-referenced Order and submitting a proposed Sewer User Ordinance and the City's response to State and U.S. EPA comments on the interim elements of the Indianapolis Pretreatment Program. Your letter states that you are going to await review of the submitted documents prior to proceeding with completion of the pretreatment program application. Please be advised that you are to submit the complete pretreatment program by the date specified in the Administrative Order, regardless of whether you obtain interim step approval. You were correct in submitting a proposed Sewer User Ordinance. Formal enactment of the Sewer User Ordinance can take place after completion of the pretreatment program.

Please be advised that failure to comply with the requirements of the above referenced Administrative Order will subject you to further enforcement pursuant to Section 309(b), (c) and/or (d) of the Clean Water Act (CWA), as amended. You are further advised that the CWA authorizes a maximum penalty of \$10,000 per day for each day of noncompliance with your NPDES permit requirements.

If you have any further questions, please call Mr. Arnold Leder, Chief, Compliance Tracking Unit at (312) 886-6702.

Very truly yours,
